

Temporary Policy on Leave Due to COVID-19: Given the rising number of COVID-19 cases locally and to continue to encourage vaccinations, the Nashua Board of Education approved new and temporary policy [EBCF-A](#) that allows an employee who tests positive with COVID-19 to quarantine without using sick days. The Board approved the policy at the December 20, 2021 meeting.

Employees must meet policy criteria, which is specific to those who have tested positive for COVID-19, in order to be paid regular wages without using employee's own leave time for quarantine.
